Dear RUNA NISHIYAMA

We have received your Australia Travel Declaration on 14 Jan 2022 14:28 (UTC).

## Status

### Your Australia Travel Declaration has been assessed

Your responses indicate that you meet the requirements for a quarantine-free arrival into Australia where permitted by the jurisdiction of your arrival.

However, states and territories may require you to self-isolate at home and undertake additional COVID-19 testing. Currently, you are required to undertake a COVID-19 PCR test within 24 hours of arrival and again on day 6 after your arrival. These requirements may vary so you need to check the requirements on [australia.gov.au/quarantine](https://australia.gov.au/quarantine) closer to your arrival.

Please print or download this email and store it safely for use when requested on your day of travel.
