Dear YUTARO KAWASHIMA,

Your application to stay in Canada as a temporary resident has been approved. Your permit has been mailed to you at the address you gave us when you applied.

If you have not received your document within six weeks from the date of this letter, contact us by completing this [Web form](#).

Please note that **this letter is a notification only**. It is **not valid for travel and is not a permit** allowing you to stay in Canada.

### Document to travel to Canada or re-enter

**A study or work permit is not a travel document.** To allow you to travel to or re-enter Canada **by air only**, we have issued you an Electronic Travel Authorization (eTA) when we issued your permit extension. Your eTA is **linked to the passport that you used to apply** for your permit renewal. You must travel with this same passport. If you get a new passport, you will need to get a new eTA.

To learn more about eTA, visit [Canada.ca/eTA](https://Canada.ca/eTA).
